

School Council 2024 - 2025

The School Council act as the voice for the children. They help to make decisions about how the school is run and take on projects that support the children's learning and development, such as organising charity events, representing the school at outside events, hold meetings with important visitors or ensuring the school is environmentally friendly.

The School Council will be meeting with Mrs Selvey for meetings regularly throughout the year and will be asking the classes for ideas and suggestions as to how we can improve the school.
