

## Bushbury Hill Primary School – Action Plan for the use of School Sports Premium

### Overall School Aim for the use of the Sports Premium Funding

For every child at Bushbury Hill Primary, to enjoy increased activity levels and to choose a healthy lifestyle, to enable them to, “Be the Best that They Can Be.”

Action	Success Criteria	Who?	Evaluation	Start Date	End Date
PE co-ordinator to organise and audit resources. New resources to be ordered where there are gaps.	All children will be active participants in all lessons.	SD-D	Review of PE resources in Summer 2014 to show that there are adequate resources for all children to be actively engaged in PE lessons	Sept 2013	July 2014
Sports coaches to model lessons for teaching staff so that they can develop new skills to use with children in their class.	Teachers to be more competent to deliver a range of sporting disciplines to their children. Teachers subject knowledge improved across a range of sports.	SD-D	Questionnaire to teaching staff to find out if their subject knowledge and confidence has increased.	Sept 2013	July 2014
Increased participation at out-of-school, sporting events.	To offer a full range of sporting clubs each term and if not full offer a range of sports each week to encourage participation.	SD-D	Feedback from external providers on children’s progress and levels of participation and enjoyment.	Sept 2013	July 2014
Increase the range and number of sporting clubs on offer after school each term.	To alter the selection of sports available to children each term to increase the interest and involvement of children	SD-D	Feedback from external providers on children’s progress and levels of participation and enjoyment.	Sept 2013	July 2014
Monitoring of PE lessons to ensure that children are actively engaged	Lessons observed are judged to be good or better.	HT/DHT			
Termly meetings between the PE coordinator and HT to ensure that the action plan is on track. HT to report on impact of actions to the Governing body committee meetings.	Areas which need attention are appropriately addressed. New opportunities constantly considered and responded to in a timely manner	HT & SD-D	F&GP to monitor impact of expenditure. Curriculum & Standards to monitor impact of actions and action plan.	Sept 2013 Jan 2014 May 2014	July 2014
Meeting with School Nurse regarding children in each year group at risk of obesity/unhealthy lifestyles.	Reduced number of children at risk of health issues due to obesity	HT & SD-D	PE coordinator and HT to report on impact to Curriculum & Standards.	Sept 2013	July 2014
Summer school sports’ camp to increase participation of sports and promote healthy lifestyles when not in school	More children active and participating in healthy lifestyles during school holidays	HT & SD-D	PE coordinator and HT to report on impact to Curriculum & Standards.	July 2014	August 2014
