

Our Topic this half term is:

### Who's your superhero?

We will be:

- Learning about the differences between human and superhero features
- understand the features that make themselves special and unique
- know the names of the main parts of their face and body and use them to describe themselves
- identify and respect the differences and similarities between people
- to recognise, name and deal with their feelings sensitively

### How can you help your child at home?

- Talking about what they have learnt at school.
- Talking to them about their bodies
- Talk about what is special and unique about them.
- visiting the library to look at books / comics about superheroes.
- use the media available at the library to explore the topic.

In Literacy we will be writing...

- Describing superheroes
- Making our own comic strip
- Learning to extend our sentences
- Learn new spellings linked to our topic

In Science we will be learning about Autumn and Winter.

- We will be learning about seasons and weather.
- We will learn about materials and look at what things are made of.

In Art we will be looking at painting portraits of ourselves.

\* We will be looking at how colours can represent feelings and emotions.

\* We will be colour mixing to see what new colours we can make.

\* We will be learning about mosaics and other

Homework will be given weekly.

- Reading daily.
- Spellings/Numberbonds weekly.

These will be given out on a **Monday** and need to be returned by the **Friday**.
