

Lola – Our school dog

Lola belongs to Mrs Dunn (Our school Educational Psychologist) so we are really lucky to have Lola in school once a week. Lola is a pedigree breed called a Bolognese. She is from Bologna in Italy. Lola is a toy breed and she wants to be everybody's friend. Lola has wool-like fur not hair and so she is hypoallergenic. Lola loves to see all the children in school, particularly for walks, listening to readers and sitting in on interventions.

Lola's favourite things
